

Bridal Shower Activity-Craft Kits

Unique Activities for a Memorable Event!

Suncatcher Kits

Suncatcher Ideas:

Guests can create their own glass art collage that they will treasure as a memento of the bride, groom and their own part in the couples nuptial festivities.

Pay tribute your bridal shower guests by using their finished Suncatchers to adorn the reception tables.

Present them with ornament stands either individually, tiered, or in conjunction with a floral or candle centerpiece.

How it works :

- 1 Receive your kit of supplies & easy to follow instructions then assemble your collages with friends.
- 2 Return completed projects in the provided box, we will fire your pieces in our kilns.
- 3 Receive your finished projects, ready to display, give and admire!

Group Platter Kits

This is a thoughtful way for guests to participate in making a personalized keepsake for the bride.

Group Platter Ideas:

Guests contribute by creating a glass collage that is then composed and fused into one large, elegant platter.

Display the finished platter at the wedding for everyone to see before the bride and groom take their treasure home.

Use the finished platter for guests to place cards into as they arrive at the reception.

**Fun & Easy to do
Anywhere!**

Set up a table or two at your bridal shower for guests to relax with a Glass Art Project, you will be thrilled to see the beautiful finished keepsakes and Party Favors created.

Pendant Kits

Pendant kits offer guests entertainment and a sentimental keepsake.

Pendant Kit Ideas:

Guests can each make their own art glass necklace to wear in support of the bride & groom on the big day. Everyone will be very appreciative and treasure their pendant as a lasting symbol for years to come.

Have the bridal party make their own pendants to match the fashions that they will be wearing on the wedding day.

Pendants can make beautiful and sentimental gifts for the bride's maids.
